

UM-M, MAN! BUT IT WILL BE SOME SHOW

The Ghost and Lindsey Are
Both Confident of
Victory.

NOV. 18, REMEMBER

The Preliminaries, too, Will
Be Considerably Out
of Ordinary.

When Jeff Clark, the "Japin Ghost," and Harry Lindsey among the best negro lightweights in the southwest and probably as good as can be found anywhere, meet in their 15-round encounter at the Palm Garden Athletic club the night of November 18, there will be something going on all the time. Clark, real name he'll have to go some to preserve his somewhat remarkable reputation, while Lindsey knows there can be no loafing on the job if he expects to

extend his pugilistic operations elsewhere than in this immediate section of the country. These men have met before on two different occasions and went the limit. One of these times Lindsey seemed to have the shade and was given the decision. The other number was adjudged a draw. All who saw the exhibition, however, were convinced both men could have fought many additional rounds and expressed anxiety to see them matched for a longer distance.

It can readily be understood, therefore, that this meeting is to decide definitely who of these two huskies is the better man, and as both consider himself his adversary's superior, there's sure to be some merry doings while they occupy the roped arena.

Both Working Hard.

Every day finds these men working hard with their trainers. Clark has an array of husky cuts who are doing him all he cares to handle.

while the Lindsey outfit is quite as active. There is little doubt, therefore, that the men will be in the best condition of their careers, and their best efforts should be forthcoming. But in addition to the main event there will be preliminaries so far out of the ordinary as to put them to sleep by themselves. Bouta between the little fellows always are acceptable to the fans. They are fast and exciting while they last and seldom do the limit. Those who will appear at this show are being selected with not a little caution and their sessions are bound to be interesting all the way.

Then there will be the always funny Australian waltz. This contrivance, which was invented only for the fun it produces, was seen for the first time in this country during the previous show. At that time, however, only youngsters could be persuaded to mount the affair, as the more experienced boxers, not being aware of the workings of the machine, were somewhat shy of it.

November 18, however, experienced boxers will try their hand and the purse will be sufficiently large to bring forth their best efforts. The old guards figure that it will take more than a wig-wag to get their goals. Whether the thing turns them upside down or not they intend to stay on the job all the time and pound away until one or the other is sent into that land of sweet dreams where hazy-making is the chief occupation. You who intend to witness this extraordinary show should take no chances in making your reservations. Ringside seats may be had at the Rialto, 111 South Boston avenue, NOW, and you should get busy.

PENN TEAM INSISTS ON COACH WITH AUTHORITY

The failure of the University of Pennsylvania football team this season has been attributed to too many coaches with no one in absolute authority. There is a movement on foot to have Dr. Carl Williams appointed as head coach with absolute power for the remainder of the season. George Brooke has the title of head coach, but he has been little more than a figurehead and a host of other coaches have bossed the Penn squad as they saw fit. As a result the linemen, ends and backfield men each have a different style of playing. Penn rallied last Saturday and held the Dartmouth team to a 7 to 3 score, but the hopes of the Red and Blue in the games with Michigan and Cornell are small.

KANSAS NO MATCH FOR CORNHUSKERS

Nebraska Outclasses Opponents and Piles Up
Score of 33 to 0.

LAWRENCE, Kan., Nov. 13.—Planning almost all through the defense of their opponents the valiant football players of the University of Nebraska today humbled the eleven of the University of Kansas and once more made known the undisputed champions of the Missouri Valley conference. The score was 33 to 0. The much discussed ability of the Kansas team failed when put to the test and the Jayhawkers were outplayed by their neighbors in every department of the game.

While ever alert to break up every attempt the Kansans made to use the new-style play, the Cornhuskers proved themselves adept at forward passing and hurried the ball for long distances. Most of the play was in the Kansas territory and old-style football ruled most of the plays. Rutherford, captain of the Nebraska players, Gardner and Corey distinguished themselves by cutting through and shattering at will the defensive put up by the pupils of Coach Olett.

GOLF TROPHIES TO OKLAHOMA PLAYERS

Owners of Busby Hotel Offer Three
Cups: State-Wide
Competition.

Special to The World.
MALESTER, Nov. 13.—To encourage more general competition among the golf clubs of the various Oklahoma cities, Dennis H. Busby, of St. Louis and Fred J. McFarland of Malester, owner and manager respectively of the Busby hotel, have offered three handsome trophy cups to be played for in annual tournaments, in which teams from all parts of the state may compete—one for the winning team, one for the runner up, and one as the consolation.

The contest will be medal play, or stroke competition. According to the rules outlined by Guy A. Crooks, secretary of the McAlester Country club, the team making the 12 lowest scores will be declared champion, getting one leg of the cup. The first club to win the golf tournament three years will become permanent owner of the championship cup. During the first three years the state tournament must be held in McAlester. After that the club holding the cup may take the tournament to its home town.

At present there are ten country clubs in the state—one in McAlester and one each in Oklahoma City, Muskogee, Tulsa, Ardmore, Chickasha, Shawnee, El Reno, Okmulgee and Bartlesville.

ILLINOIS WINS OVER WISCONSIN

CHAMPAIGN, Ill., Nov. 13.—The University of Illinois defeated Wisconsin 17 to 3 today by playing hard, consistent football. Although the game exhibited by the Illini showed few flashes of brilliancy and was lacking in spectacular features the team plainly outclassed the visitors and only once was the Illinois goal in danger. A goal from the field by E. Simpson yielded the only Wisconsin score.

CHICAGO HUMBLING BY GOPHER ATTACK

Despite Heavy Penalties
and Failure of Passes,
Minnesota Wins.

MINNEAPOLIS, Nov. 13.—The University of Minnesota football eleven took another step toward the Big Nine conference championship today by defeating the University of Chicago 30 to 7 on a snow covered field. The Gophers' attack was consistently powerful, while their defense was virtually impenetrable when the Maroons threatened the Minnesota goal. Three touchdowns—one each in the first, third and fourth periods—and two goals from touchdowns represented the Minnesotans' score, while Chicago counted a touchdown by Agar and a subsequent goal by Shull in the second session. In forward passing Chicago had most success. Minnesota tried six passes of which two were completed. Minnesota was penalized for a total of 55 yards as against the 15 yards charged against Chicago.

QUAKER-MICHIGAN IS SCORELESS GAME

Pennsylvania Has Shade on
Westerners But Lacks
Necessary Punch.

DISAPPOINTING GAME

Maulbetsch Gained Little
Ground For Michigan;
Bell Stars.

PHILADELPHIA, Nov. 13.—Pennsylvania and Michigan fought their annual football battle on Franklin field today and neither side was able to score. It was a curious fact that each team had been defeated the last three times it had met an opponent on the gridiron and in the fourth effort neither was able to gain a victory over the other. The game was a disappointment to the followers of the teams.

Both teams put up fairly good football. The playing most of the time was spirited and abounded in open field work. Pennsylvania had more chances to score than Michigan, but when in the last ditch the westerners always braced. The Pennsylvanians got within scoring distance about half a dozen times and on three of these occasions tried to kick field goals. Maulbetsch for Michigan tried twice and Left Tackle Matthews made one unsuccessful try.

One of Michigan's best chances to score was in the second period when he rushed the ball to Pennsylvania's 16-yard line. Here Yost's men tried a trick play. It was a fake kick formation for a placement goal, the man holding the ball for the expected place kick being downed for a 10-yard loss as he rose to go around Pennsylvania's right end. Michigan then tried a forward pass and the play resulted in a touchback. Pennsylvania's rushing was more powerful than Michigan's. Williams and Deer doing great work in this line. Maulbetsch for Michigan was unable to gain much ground after the early part of the game as Pennsylvania's tacklers seemed to have been coached purposely to stop him. Fullback Smith, before he was forced to leave the game through injuries, was a powerful ground gainer for Michigan. A feature of the game was the fine punting of Bell of Pennsylvania.

Rutgers Beats Alumni.
NEW YORK, Nov. 13.—Rutgers college football team won 28 to 7 over an all-star team of former players at the polo grounds today. The all-stars were gathered together by Hamilton Fish, jr.

Beloit Loses Again.
BELOIT, Wis., Nov. 13.—Beloit college sustained its unbroken record this season for not having won a game nor scored a point in any game played and included only one defeat at the hands of Marquette university of Milwaukee 13 to 0.

RICH ORE ON THE CARLIN LAND.

Two Drills Driven into a 22-Foot Face; Will Continue to Explore.

MIAMI, Okla., Nov. 13.—Messrs. Wagoner, Williams, Sullivan, Longaker and others, a group of Miami operators, are prospecting on the Carlin land east of Carlin, in the north section of the Miami mining district. Last week two of the drills were driven into the rich ore body and the report of the new discovery gives it a depth of 188 feet and drill cuttings indicate a 22-foot face, carrying values up to the high average of that exceptionally rich locality. The operators will continue to drill for the next thirty or sixty days to explore more thoroughly the extent of the ore and will then start shaft development.

A New Way to Propose.
"What I object to," said the thoughtful young woman, "is the idea of 'taxation without representation.' 'If I were a married man,' responded the admiring youth, 'I'd be glad to take my wife's advice on how I voted. How would you like to have me represent you at the polls?'"

PLAY IN BARE FEET.

DALLAS, Texas, Nov. 13.—In a football game at Waxahachie today, played in rain, between the high schools of that place and Fort Worth, the black land mud was so thick that it was necessary for the backfield players to remove their shoes and stockings. With bare feet the Waxahachie aggregation won the game 6 to 0.

BARTLESVILLE HIGH BEATS PAWHUSKA

Special to The World.
PAWHUSKA, Okla., Nov. 13.—By far the best work the Bartlesville high school was defeated by the local high school to the tune of 60 to 0. Burr and Comstock in the back fields played a star game for Pawhuska, making their first touchdown in one minute of play.

On account of darkness the game was called at the end of the third quarter. Bartlesville has been defeated by only two teams this season, having lost to Tulsa last Saturday by a score of 9 to 6. This gives Pawhuska a total score of 298 to 14. A post season game has been arranged with Norman, to be played on the local field.

AUBURN CRUSHED BY VANDERBILT

Supremacy of the South is
Wrenched Away by
Gold and Black.

BIRMINGHAM, Ala., Nov. 13.—Auburn's all but undisputed reign of the past two years over southern gridiron was brought to a sudden close here today when 11 husky athletes wearing the gold and black of Vanderbilt upset recent football traditions and sent the Alabama plunkers down to defeat by the decisive score of 17 to 0.

Not in two years had the Auburn line been crossed and many wagers had been made that today it would go unscathed. But Vanderbilt, suffering under the sting of the crushing defeat administered by Virginia a week ago, went into the game with a spirit that was not to be denied. The men from Tennessee outclassed their Alabama rivals in all that goes to make up the modern game of football. They had the speed, the stamina, the skill and the heart. Auburn had the heart, too, but the old smash and power were lacking. Time and again the Auburn backs would hurl themselves at the Vanderbilt line, only to make a gain of a yard or two, or be thrown for a loss.

A forward pass from Auburn's 20-yard line gave Vanderbilt the first touchdown and the Tennessee scored again when Wren of Auburn missed a punt and the ball helped by a favorable wind, went well above his head and sailed across the Auburn line. Cody and Curry of Vanderbilt were on top of the oval before an Auburn team could reach the spot.

The third scoring by Vanderbilt was a field goal from the 30-yard line.

MAY BE FED LEADER IN NEW YORK CITY

BILLY CLYMER

Again comes the rumor of the Federal league club to be put into New York next summer. The rumor this time is still more persistent than ever and even goes so far as to name the probable managers. Thus far the leading candidates seem to be Billy Clymer and Jack Dunn, with Clymer a slight favorite. Clymer has been a marked success as a manager in the small leagues. He won three successive pennants in the American league. This year he managed the White Sox. He was at one time talked of as a possible choice to lead the New York Yankees, before the appointment of Donovan to that position.

ARMY SHOWS SPEED AND BEATS MAINE

Improvement of the Cadets
Encouraging to the
Supporters.

WEST POINT, N. Y., Nov. 13.—The Army won from Maine today, 24 to 0, in a hard fought game. The visitors proved to be weaker than was expected and the Army made many substitutions throughout the game.

Oilphant, the former Purdue star, was again the brilliant performer for the Cadets. He was removed during the third quarter to make room for a substitute, but at the time of his replacement he had tallied all the Army's points, 17 at that period of the play. A placement goal from the 25-yard mark, two touchdowns and the resultant goals was the total of his scoring. He made other runs of forty and fifty yards that were big factors in the cadets' offensive game.

McEwan, Moucham, Knight and Tully also starred for the Army and the general all round improvement in the Cadets' play was pleasing to their supporters.

Maine never was dangerous except in the last quarter when the visitors threatened to score after getting a loose ball on the Army's ten-yard mark. A forward pass play over the goal line failed, however.
